

Acoustic Consultants – All Levels of Experience

We're looking for exceptional, new and experienced, dynamic acoustic consultants who are looking for the next step up.

Providing the technical acoustic consultancy services at our offices, you will be a professional acoustic consultant with 2-10 years of front-line, active and broad-based acoustic consultancy experience with a passion to further develop your career in acoustics.

Responsibilities will include all elements of environmental noise and, especially, building acoustics along with opportunities for mentoring and business development (subject to experience).

All candidates will be degree qualified and computer/technology literate with excellent spoken and written communication skills. All candidates are expected to hold a full UK Driving Licence or European equivalent.

Along with the great opportunity grow within our business we also provide the following employee benefits:

- Permanent Health Insurance.
- Death in Service Benefit (Life Insurance).
- Non-contributory personal pension scheme.
- Paid professional fees (IoA)
- 25 days holiday
- Attendance holiday bonus of +3 days per annum.
- Flexible Working.
- Annual Bonus.
- **Golden Handshake/Hello of 10% of starting salary.**

We have a relaxed but professional work ethic and currently have a team of eight acoustic consultants.

In the first instance, please email a CV with covering letter (for the attention of Dave Poulton, Commercial Director) to:

david.poulton@environmental-noise-solutions.co.uk
